Chief of Police, Paul Martin
Durham Regional Police Service ("D.R.P.S.")
605 Rossland Rd. E., Box 911
Whitby, Ontario
L1N 0B8

Dear Chief Martin:

Re: Investigation of Donald Best

My client has been a litigant in the Courts in the Central East Region, including contempt proceedings against him in the Whitby, and later Oshawa Superior Court of Justice. He also sued various parties, including the DRPS in 2013-2015. This lawsuit included an attempt to amend the Statement of Claim to name the DRPS Board, the former Chief of the DRPS and yourself, personally. The lawsuit was dismissed and the appeal of the dismissal was dismissed due to an inability to provide security for costs.

Pursuant to his rights under s. 2(b) of the *Canadian Charter of Rights and Freedoms*, he has set up a website that deals with a number of issues, including the foregoing litigation. This website has links to various documents, including transcripts and court documents, some of which relate to proceedings before the Honourable Mr. Justice Shaughnessy. It is also a matter of public record that a judicial review has been filed to challenge a dismissal of a complaint filed by my client by the Canadian Judicial Council made against Justice Shaughnessy.

My client is a former Toronto Police officer and private investigator. He has determined that his website has been accessed and documents have been downloaded on May 31-June 3 in respect of documents relating to Justice Shaughnessy for approximately 7.5 hours from 3 different DRPS computers. Documents that make this clear are enclosed:

1/ An Excel spreadsheet showing in detail, visits to the DonaldBest.CA website from IP (Internet Protocol Number) 66.163.5.113, which is permanently assigned to the Durham Regional Police.

2/ A .pdf simplified printout of the visits to the DonaldBest.CA website from IP (Internet Protocol Number) 66.163.5.113 (Durham Regional Police).

3/ Results of a 'WhoIs?' report on IP (Internet Protocol Number) 66.163.5.113, showing that the IP number is permanently assigned to the Durham Regional Police.

My client is concerned about why this is taking place. He has committed no crime. Why is the DRPS investigating him or his website? He feels intimidated by these actions. In light of the past 'off the record' investigation by the DRPS, that he was advised of by Detective Rushbrook, my client is concerned that this may not be an official DRPS investigation.

Accordingly, please advise:

- Is there a DRPS sanctioned investigation of my client or his website?
- If so, what is the nature and purpose of this investigation? My client may be willing to discuss whatever issues that may be of interest to the DRPS with DRPS officers.
- If not, my client is requesting that a DRPS investigation be commenced as to the unauthorized use of DRPS resources (equipment; computer access and manpower) to investigate him. If the investigation of my client was not authorized, this would seem to be a violation of the *Police Act* and/or the *Criminal Code*.

In any case, please take steps to preserve records and data in respect of these actions.

Yours truly,

Paul Slansky

cc. Inspector Dave Saliba, DRPS, Professional Standards
