Dear Ms Stewart,

I am seeking to confirm that you are no longer involved with the internal hearing against Detective Helen Grus - which is scheduled to resume January 6, 2025. I left voicemail messages for you on Friday November 1, 2024 but have not received a return call.

My sources indicate that you have left the Ottawa Police and are now employed as a Crown Attorney in Ottawa.

My sources also indicate that the Ottawa Police did not renew your contract.

The Ottawa Police media relations unit will not confirm or deny any of the above. I would appreciate your input on this prior to publishing an update on the case.

Yours truly,

Donald Best
